

# November 2020

Hello 109ers & Happy November!

We have continued to make it through this crazy year of 2020 safely and healthy! As the weather changes, we are going to be asking our 109ers and parents for help in making sure that we can remain open and keep us all safe. We take all of our precautions very seriously and we will be continuing with almost all of them.

We will no longer be taking the temperatures of our students. We are asking that you as a parent take your 109ers temperature before bringing them to us. In fact, if they don't feel good, even if it is just a cold, we are asking that you don't put them or any of us at risk and keep them at home.

We will still have thermometers here at the studio and we will take a temperature if we think one needs to be taken. All of Studio 109's staff will continue to take their temperatures as they enter the building.

We greatly appreciate you trusting us and allowing us to work with your 109ers. We will continue to make sure this is a clean and safe environment to grow our talents together.

Happy Thanksgiving!

Mandy Bartow

Director/Owner

PS - we are closed November 25-27

#### **COVID-19 Guidelines**

Please **visit this page** often for updates and to make sure you are adhering to our policies. **Click here to download our guidelines**. Thank you!

# Thank you, Miss Britney!

It has been great to have Miss Britney here with us since last June when we were able to return to the studio; from helping clean to checking in staff and dancers and even her awesome PBT training class. We do hope she will be able to still do some weekend workshops with us; however, the time has come for her to finish her senior year of school with AMDA. Although, she does not get to travel back to L.A. to do so she is finishing online with west coast class times; therefore, we will not be able to see her on a daily basis anymore. We wish her the best.

### Front Desk

Due to the loss of a staff member at the desk, we are asking parents to please make sure that your 109ers are here on time 5 minutes before class starts. As we may not have anyone at the front desk to let any late students into the building.

### <u>'Tis the Season</u>

We will be collecting canned food and packaged food items that can be stored, with a long expiration date, for an area food pantry. We will have a drop off bin out front on days that aren't raining and dare we say it, snow!

Congratulations to Samantha Clark who won a Studio face mask for the October contest! Thank you for being such a supportive 109er and part of this 109 family!

## **Referrals Pay**

Don't forget we have the \$25 referral bonus if you refer a brand new 109er to the studio.

#### Visit Our Calendar

Please check out our **online calendar** regularly for important events, deadlines and more!

### **November Contest**

The October contest continues into November! We would greatly appreciate your review on Yelp AND Google. As a thank you, we will put your name in for a Studio 109 face mask. Also, keep "checking in" via Facebook. Every review and check in is another chance!

Modern Workshop with Kelley Saturday, November 28th and Saturday, December 5th, 9-11am

\$20 per dancer and \$5 off sibling rate. Save \$10 when you register for both workshops.

#### What is modern dance?

It's an expressive form of art, a style of theatrical dance that is not as restrictive as classical ballet; movements are expressive as feelings. Modern dance offers dancers a chance to explore their creativity through movement. It also builds a lot of strength! From floor work, to jumps, to partnering and improvisation, a Modern Dancer uses his/her entire body and must learn to go from one level to another quickly and seamlessly.

## Register online today!

### **Trunk or Treat Winners**

Thanks to everyone who participated!

"Let gratitude be the pillow upon which you kneel to say your nightly prayer.

And let faith be the bridge you build to overcome evil and welcome good."
