January 2019

Hello 109ers!

Happy New Year! I hope everyone had a wonderful Christmas and enjoyed the time with family and friends.

The Rochester Parade was great fun, even with the weather postponement...we did it! Even more exciting...we brought home BEST OF PARADE once again. I

want to say thank you to the float committee who did a fantastic job putting the float together. I truly appreciate all of their hard work, time and energy to make this year fun and successful.

A job well done to many of our Performance Troupe members who danced with Recycled Percussion at the Rochester Opera House on December 26th. We were one of the many talented dance studios in NH to have been chosen to share the stage with this very talented and community-oriented group. I am so proud of my dancers and their enthusiasm to do something outside the box. This was a wonderful and uplifting experience and the whole show was amazing!

See you Tuesday, January 2nd!

COSTUME INVOICES

Costume invoices will be emailed soon...some have already received them. All recreational costume payments are due by January 28th. Costumes are ordered through many different companies and will be arriving at different times. They can take up to four months to come in.

BLINDING LIGHTS!

Please do not park on the hill with your lights on.

They shine right through the front window at the front desk area making it difficult for staff and students being dismissed to be able to see outside. There is plenty of parking in both lots. Come on in and say hi!
