

## October 2020

Hello 109ers,

Pumpkins, apples, changing leaves and cooler weather.... Yup, it's fall! We are so happy that we have been able to stay open and active with you! Let's keep it that way. Please remember ALL SOCIAL distancing protocol and make sure we can remain open and working with all of you! We have provided a [link](#) to remind everyone below what our social distancing rules are and how we are dealing with the cooler weather headed our way. Please wear an easy slip on pair of shoes and NOT your dance shoes. We are giving our 109ers a safe distance of space to change their shoes before entering the classrooms.

With so many events being canceled including Rochester Main Streets' Zombie Walk where our dancers danced to the iconic *Thriller*, we still want to be a part of our communities. Dancers old enough will be given the opportunity to perform on Sunday, October 11th @ Lebanon KOA on Salmon Falls River Campground (recital location from this past June). If you are interested in participating, please make sure to [email us](#). We will arrive at 3:15pm, parade will start at 4pm and we will make the loop and end in the field where we will perform one last time as a group. A rehearsal may need to be held earlier in the weekend. All jokes aside, we will be safely keeping this event alive! How can you incorporate your mask into your zombie make up!?

A quick little note about when you should NOT be inside the studio... If you answer "yes" to any of the Covid questions found on our [website](#). If you have any symptoms that aren't related to seasonal allergies or if you have been informed of possible direct exposure.

Let's continue to stay healthy and safe!

Happy October :)
