

## September 2020

Hello 109ers,

It's September! I hope you all had a wonderful summer and that you are ready to come back to class...dancing, singing and acting. No matter what your school has decided to do this fall, I wish you all an amazing year. We are very excited to be a NH dance studio with the opportunity to be together in-person to offer our 109ers classes with our talented and passionate instructors.

Although this summer looked different, we did get to work with our summer dance students and even sent 12 dancers to a competition. Congratulations, dancers on a great experience at Step Up 2 Dance.

We still have a few classes with space, so if you haven't registered for our classes please jump on and join us. If you don't see something on the schedule you can always reach out for our help to make sure you get enrolled in the correct class.

Please don't forget - parents, you are not allowed in our building unless you are an intro to dance parent. Masks are required in all public areas. The students may take them off once they are in class and in their taped-off square.

Parents and students please review our procedures (outlined below) before your first class the week of September 14th! See you soon 109ers.

We begin September 14th!! [Register online](#) today!

With love and gratitude,  
*Mandy Bartow*  
Director/Owner

### DROP OFF & PICK UP PROCEDURE

Please do not drop off your 109er more than five (5) minutes before class time - no one will be able to enter the building before that. Bring only your dance shoes and water bottle in a small dance bag, but nothing more. If it is raining please stay in your car and line up and we will open the door for each car one by one.

Students need to be picked up promptly. They will not be able to wait inside during this time so if you do not need to leave the parking lot we ask that you stay. If your child is eight (8) or younger you will need to stay in the parking lot.

### REFERRALS PAY!

If you recommend someone brand new to the studio you will receive a \$25 credit to your account after their attendance for two months!

### OUR CALENDAR

Please check out our [online calendar](#) for times we are open to pick up your dance photos, if you purchased them.

A few highlights...

### Saying Goodbye

We want to take the moment to say thank you to **Michelle Sanfacon** for all of her dedication; not just to Studio 109 and her account manager position, but for every 109er who walked through the door for the past 22 years.

We know we won't see you on a daily basis, but we know we will see and hear you cheering us on when we can perform again. Once a 109er always a 109er and we thank Nanny Chell for all of her love and support over the years. Best wishes on your next adventure.

### 109 Welcome

As we say goodbye to Michelle and her expertise on the accounts, please join us in welcoming our own Josie Gillette to the position. Some of you know Josie as our hip hop instructor,

but she takes over this new position with not only experience but guidance and training from Michelle.

*"You can't do it alone. Be open to collaboration. Find a group of people who challenge and inspire you. Spend a lot of time with them and it will change your life."*
